

BONDOUTFIT

Turn window-shoppers into *booked visits*.

Bondoutfit lets your customers book a fitting appointment at your store online — and get a discount when they show up and buy. You get fewer time-wasters, more foot traffic on quiet days, and a simple dashboard to manage it all.

I'd love to show you how it works on your phone — takes about 10 minutes, no obligation.

HOW IT WORKS

1

Customer finds your store

They browse your collections and available slots on Bondoutfit.

2

They book a time

A visit is scheduled directly into your store's calendar — no back-and-forth.

3

You're ready for them

You know who's coming and when, so you can prepare and greet them properly.

4

They visit and get rewarded

On arrival, they unlock a discount to use on their purchase — encouraging them to actually buy.
